

Reception Learning Project - Week beginning 08/06/20

Why do spiders eat flies?

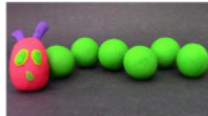

Maths Fluency Ladder	
6	Subtracting 1 (within 10) (EYFS)
5	Adding 1 (within 10) (EYFS)
4	Say 1 less up to 10 (EYFS)
3	Say 1 more up to 10 (EYFS)
2	Count back in 1s to 20 (EYFS)
1	Count on in 1s to 20 (EYFS)

To use the fluency ladders in Reception please start at the bottom of the ladder and when your child can answer questions fluently on that step you can move onto the next. These steps can be practiced daily. The steps on the ladder can be enjoyed as counting games. What is the next number or what is the missing number? Or who can answer the question the quickest or who can splat the number first.

Maths	Reading
-------	---------

- Your child could count the different foods that the hungry caterpillar eats each day.
- How many pieces of food did the caterpillar eat each day? Can your child write the corresponding numbers?
- How many pieces of food did the caterpillar eat altogether?
- Try making different sized caterpillars out of playdough - can your child order them by length from shortest to longest?

- This week can you read the very hungry caterpillar? If you don't have this story at home you can find it on youtube - <https://www.youtube.com/watch?v=75NQK-Sm1YY>
- Can your child learn the days of the week and use this to help them order the story?

- Remember - Ruth Miskin is also doing live phonics lessons every day.
Set 1: 9.30am and 12:30 pm
Set 2: 10:00 and 1:00pm
Set 3: 10:30 and 1:30pm

Ideas of other activities to be done throughout the week:

- You could help your child use the internet to look at real caterpillars, cocoons and butterflies. Your child could then go in the garden and hunt for them.
- Your child could gather and use natural resources to create a symmetrical butterfly.
- You could make fruit smoothies using fruits from the story and talk about a healthy diet.

Writing / Drawing

- Can your child draw the life cycle of a butterfly using the illustrations in the story to help them?
- Your child could also try drawing or painting their own butterfly with symmetrical wings.
