

Year 5 Home learning task WB 15/06/20

Daily activities

✓ **Reading (20 mins)** – Choose a book you love. Write a character description of your favourite character.

✓ **Spelling (15 mins)** – Practice your spellings daily. Try using the stair step method.

✓ **Maths (15 mins)** – a task from the fluency ladder – only move onto the next step when you are an expert! Ask people in your house to test you on a Friday. Sheets linked to the fluency ladders can be found on the school website.

✓ **Mindfulness – (10 mins)** Try some mindful movement. Use you noticing and focusing skills. Think about what you can hear smell and feel.

✓ **Physical activity** – Can you create your own long jump track. Find a spot to start on jump as far as you can and measure the distance.

4	Say 1 less up to 10
3	Say 1 more up to 10
2	Count back in 1s to 20
1	Count on in 1s to 20

Weekly fun task

- Research mammals. How are they different to other animal species?
- Choose a mammal and learn about their life cycle.
- Compare your life cycle to the life cycle of an amphibian. What is similar? What is different. Record your ideas on a Venn diagram

- Create your own fantasy animal that is a mammal or an amphibian. Design its life cycle using what you have found out about each animal type.

On the school website you will find links to Talk for Writing and White Rose Maths activities. Please remember to send photographs of the children's work (either through ClassDojo or the school Facebook page). We would love to see it!
