

Thank you so much to everyone for your on-going hard work during the partial closure of schools.

This week take some time to enjoy your learning from home routine together and have lots of fun and play with each other <3 Send in photos of your favourite activities and any of your favourite memories while you have been home schooling.

Show off everything you have learned <3

Can you make your doubles as quickly as you can and write them as a sum? Or can you write a sum for your family or siblings to make the double?

Can you write you teen numbers and make some fly swatters to splat the number as quickly as you can?

Can you count on or count back to fill in the missing numbers? When you write the number can you form them carefully?

Early Reading is so important! Please try to find time every day for your child to take part in the Ruth Miskin set 1 and 2 daily speed sounds lesson. If set 2 is easy for your child let them take part in set 3 too. This will prepare them for year 1. [https://www.youtube.com/channel/UCo7fbl\\_gY2oA\\_dFCIq9GdxtQ](https://www.youtube.com/channel/UCo7fbl_gY2oA_dFCIq9GdxtQ) Please use the link above to find the daily speed sounds lesson to support early reading.

Can you roll out some paper and write the high frequency words below? **I, me, my, no, of, all, go, he, said, the, we, you, your**

The quicker your child can read these words the more fluent their reading will become. Can you play lots of fun games together where you run to each word, splat each word, write them the quickest, find them in the kitchen.

Spend some time researching bug hotels together. Think of all you have learned this half term about minibeasts and their habitats. What do they like and how can you make some homes for them? Make bug hotels or bug houses and take them to your garden. Have any minibeasts come to stay?

Mix up your creative skills and your writing skills! Can you make some large minibeasts like this lady bird here? Underneath their wings can you write the facts you know about them such as what minibeast they are and what they eat or do?

Can you describe what they look like using some of your 'Who am I?' games from last week.

**Lastly... Have a tea party <3**

This week can you make a list of everything you will need to prepare for an end of Reception celebration.

Can you work together to bake your cakes, make your sandwiches and make your drinks? Can you decorate your tables together or have an outdoor picnic and celebrate the end of Reception together! Send in your part pictures for me to share on class dojo <3
