

## Dear parent or carer

We're organising a wide range of fantastic, fun activities for children and young people in Hartlepool aged 4 to 16 over the school Easter holidays.

Swimming, climbing and canoeing, Harry Potter and Pokemon-themed crafts and games, learning to skateboard, decorating caterpillar plant pots, multi-sports and life skills, forest school activities, a funability day for children with additional needs, learning to cook, Cleveland Fire Brigade activities and football, dodgeball, cricket and rounders with the Hartlepool United Community Sports Foundation are just some of what's in store, and most of the activities are free!

There'll be plenty to keep children and young people entertained and help them discover new hobbies and skills, make new friends and build their confidence. On top of all this they will also get a tasty, nutritious meal as part of the bargain.

It's all part of Hartlepool Holiday Fun – a project run by Hartlepool Borough Council in partnership with different organisations across the town and funded by the Department for Education – providing activities for children and young people over the main school holidays throughout the year.

Places are available for free to children who receive free school meals, but all children and young people in Hartlepool are welcome to take part.

If your children took part in any of our previous Hartlepool Holiday Fun activities and you have already given us your consent to contact you with details of our upcoming programmes, we will contact you directly with full details of the Easter programme and how to book.

Alternatively, visit [www.hartlepool.gov.uk/holiday-fun](http://www.hartlepool.gov.uk/holiday-fun) for the full programme and booking arrangements.

## Happy Easter
