BIG NEWS!

magic breakfast
fuel for learning

From Monday 13th January, Golden Flatts is proud to be in partnership with Magic Breakfast, providing free, healthy breakfasts to our pupils so that they are settled and ready to learn. Magic Breakfast provides us with nutritious breakfast food to ensure children start their school day in the best possible way. Children will have a choice of bagels, toast or crumpets. Breakfast gives children the energy needed for the busy school morning, enabling them to focus on their lessons.

Magic Breakfast will be available from 8.20am until 8.40am and children will need to come to the Common Room door instead of the current Key Stage 2 door.

Magic Breakfast does not replace our current breakfast club for parents who require childcare from 8am. This provision will continue in the same way.

Attendance

Please make use of information available to determine if your child is unwell enough to miss school. Missing just 11 days of school across the year can push your child in to 'attendance concern'. If your child is to unwell to attend, please let us know on the first day of absence.

If you have any queries or concerns, or you just need some advice about if your child should be in school, please don't hesitate to contact us .

Attendance Matters

Reading Books

We would be very grateful if all families could check for any stray reading books that may be at home that could be brought back into school. We have noticed that quite a number of books, especially our Read Write Inc range of books, are missing. Thanks in advance for your help :)
